Forecast For Northeast England
Issued by Met Office Exeter
at 0400 on Tuesday 19 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Occasionally heavy rain throughout. Mild but windy.

Today:
A cloudy morning with outbreaks of occasionally heavy rain spreading across the region from the west. Further rain through the afternoon, but with some brief drier spells possible towards dusk. Breezy but mild. Maximum temperature 17 deg C (63 deg F).

Tonight:
Cloudy with some spots of rain or drizzle at first, then dry with some clear spells by midnight. Staying dry with further clear spells through the early hours. Winds easing. Minimum temperature 12 deg C (54 deg F).

Wednesday:
A dry start, but becoming increasingly cloudy with rain spreading east through the morning, this heavy at times. Drier but cooler by the evening. Maximum temperature 13 deg C (55 deg F).

Outlook for Thursday to Saturday:
Bright with scattered showers Thursday, but becoming colder with coastal gales. Further showers and coastal gales Friday, but otherwise bright and breezy. Dry, bright, and breezy Saturday, becoming milder.
